

Credit Repair Checklist - Detailed

1. Pull reports from all bureaus at [AnnualCreditReport.com](https://www.annualcreditreport.com).
2. Verify personal info: name, address, SSN, employment.
3. Identify inaccurate negatives: late payments, collections, duplicates.
4. Gather proof documents and file disputes with each bureau.
5. Follow up in 30 days and escalate if not corrected.
6. Pay down revolving balances; target < 10% utilization.
7. Set autopay for minimums to avoid new late payments.
8. Request goodwill deletions for isolated late payments.
9. Negotiate pay-for-delete on eligible collections.
10. Keep oldest accounts open to build history.
11. Limit new hard inquiries; space applications 3-6 months.
12. Monitor monthly and track score changes.
